- AD/HD Support Groups NE and Gordon Williams from Neuro Key work together to support people with AD/HD and associated neuro-diverse conditions, including ADHD, ASD, PTSD, Brain injury, FASD, Tourett's etc. Gordon is the main contact for the Teeside area with a wealth of expertise. Further information about Gordon's work can be found below.
- Our meetings are friendly & informal, open to anyone with a diagnosis / in the process of seeking a diagnosis of AD/HD & associated neurological conditions. Parents & partners, allies, academics and professionals involved in AD/HD, or a related field, are also very welcome.
- Drop in for a while, or stay until 8-ish. Feel free to share your experiences & personal knowledge of AD/HD etc. Discuss any help that is available. Share useful coping techniques that minimise the difficulties that diverse neurological conditions can present. We also celebrate the positive side of living outside neuro-typical boxes.

Durham: Thursday 13th | **Middlesbrough:** Tuesday 18th
